Motiwala (National) Homoeopathic Medical College & Hospital successfully observed **World Heart Day** and commenced its **Interns Orientation Program** on October 6, 2025. The event was held in the Zobie Motiwala Auditorium. The primary objectives were to raise awareness about cardiovascular diseases and to educate students on their clinical signs and symptoms. The program saw participation from I, IV BHMS students, Interns, PG Scholars, and Teaching faculty. The anchoring for the event was skillfully done by **Dr. Noozat Shaikh**.

### **Program Highlights-**

The event began with the invocation of divine blessings through a **Prayer**, chanted in Hindi, English, and Arabic by the Prayer group.

Following the prayer, the traditional **Samai Lighting ceremony** was performed by the dignitaries, symbolizing the light of knowledge and healing. During this ceremony, homage was paid to the father of homeopathy, **Dr. Samuel Hahnemann**, by garlanding his photo.

The **Interns Orientation Program** was then officially started with an address celebrating the outstanding **100% result** of the new batch in their final year exams, welcoming them to the "transformative chapter" of their medical internship.

### **Keynote by Dr. Hiralal Pawar-**

The highlight of the event was the keynote address by the esteemed speaker, **Dr. Hiralal Pawar**, Consultant Interventional Cardiologist. Dr. Pawar is a double Gold Medalist in M.D. (Medicine) and D.M. (Cardiology) from the Maharashtra University of Health Sciences. His extensive experience includes over 35,000 coronary angiographies and 15,000 angioplasties.

The **felicitation** of Dr. Pawar was performed by **Dr. T. K. Kundu**.

During his seminar, Dr. Pawar shared his insights on heart health, prevention, and care. He made the session highly engaging by giving **live examples** from his career, OPD, and hospital patient rounds. He also narrated his life story, detailing his journey from a small village school to completing his M.D. and D.M. in Cardiology with a Gold Medal. He stressed the importance of **observation**, noting that minor signs can evolve into major cases. He concluded by giving best wishes to the students and interns for their future as budding doctors.

### **CardioCraft Model Making Competition (CARDIOCRAFT-2025)-**

A creative component of the celebration was the **Cardicraft Model Making Competition**, which aimed to boost cardiac awareness. Participants from the I and IV BHMS years showcased models reflecting the anatomy and function of the human heart.

The esteemed judges for the competition were **Dr. Hiralal Pawar, Dr. Mita Gharte, Dr. Subhash Yadav, and Dr. Vishal Nimbhore**.

Dr. Pawar appreciated the effort and innovation shown by the participants and winners.

- The winner from the **1st BHMS** year was **Group Number 5**.

- The winner from the 4th BHMS year was Group Number 9.

All participating groups received a **Certificate of Participation**, and the winner groups were awarded a **Certificate of Appreciation**.
